Some of the best fishing spots in upstate are found in Oneida County. Oneida Lake is a bass master’s dream and a special destination for walleye and perch. Fly fishing? See millions of trout nurtured at Rome Fish Hatchery.

CANOEING | KAYAKING | TUBING

Seven lakes and numerous waterways offer on-water experiences from a placid paddle on the historic Erie Canal, tube float down West Canada Creek to Class III whitewater kayaking on Fish Creek.

WATCHABLE WILDLIFE

Utica Marsh, a unique urban wetland, accessible from the Erie Canalway Trail, offers up-close views of habitats and a variety of plants and animals, especially birds. An observation tower provides the perfect bird’s eye view of the abundant wildlife! Rome Sand Plains is one of only a few inland pine barrens in the nation, teeming with watchable wildlife.

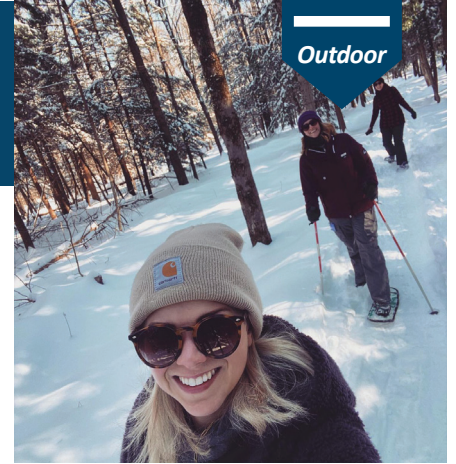

ROSCOE CONKLING PARK

Roscoe Conkling Park was the first park developed by T.R. Proctor in 1909. Throughout the years the park has added several Utica attractions within its 385 acres, including the Parkway Recreation Center, Val Bialas Ski Area, the New York Energy Zone, a trail system, the Utica Zoo, Valley View Golf Course (designed by Robert Trent Jones), and the South Woods Switchbacks.

The South Woods Switchbacks still retain areas of vegetation much like what early settlers to the region would have seen - ironwood, basswood, viburnum, and other early trees and shrubs! To learn more, visit greenutica.org.

AN AMERICAN REVOLUTION

“The fort that never surrendered,” Fort Stanwix National Monument is best known for successfully thwarting an intense siege in 1777. Fort Stanwix protected traders during the French and Indian War, then played a key role in the Revolutionary War. Oriskany Battlefield is the site of one of the Revolutionary War’s most pivotal and deadly battles. Continue on the Revolutionary trail with a visit to the Baron Von Steuben Memorial State Historic Site in Remsen.

A WAY OF LIFE

Utica’s astounding bygone architecture is preserved at Fountain Elms and the Rutger-Steuben Park National Historic District reflecting the prosperity of Utica before 1900. Discover centuries of Oneida Indian Nation history and heritage at Shako:wi Cultural Center - feel the power of Wampum and marvel at the craftsmanship involved in creating lacrosse sticks by hand.

ORISKANY BATTLEFIELD

A significant turning point in the War of Independence, the Battle of Oriskany, fought on August 6, 1777, has been described as one of the bloodiest battles of the war. A monument was dedicated on August 6, 1884, to serve as a memorial to the militia who fought there. Oriskany Battlefield was designated a New York State historic site during the 150th anniversary of the battle in 1927 and was designated a National Historic Landmark in 1963. STARS AND STRIPES

Patriotism and the American Flag have special importance here! Rome Cemetery is the final resting place of Francis Julius Bellamy (1855-1931), the original author of the "Pledge of Allegiance". The pledge he wrote was first used October 21, 1892, in honor of the 400th anniversary of the discovery of America.

The Copper City

Rome is home to **Revere Copper**, hence the nod and notoriety as The Copper City. Featuring two National Parks, Rome's history began as a fortified trading post on one of the most important North American transportation routes, the **Oneida Carry**, commemorated by the **Oneida Indian Nation** with an impressive bronze sculpture in downtown.

Rome's downtown is anchored by **Fort Stanwix National Monument**. Known as "the fort that never surrendered" for repelling a prolonged siege in 1777. Just six miles away, **Oriskany Battlefield State Historic Site** serves as an awe-inspiring reminder of one of the Revolutionary War's most deadly engagements. **Honor America Days** in July is a patriotic celebration with family fun events and an open-air concert on the lawn at Fort Stanwix culminating with a majestic fireworks display.

Catch a vintage film at the **Capitol Theatre**, a restored 1928 movie house, host of Capitolfest, CNY's 35mm silent and early talkie film festival. Take a break at **Copper City Brewing Company** to enjoy

local craft beers on tap. Nature lovers will find **Delta Lake State Park**, a great spot for camping, hiking and watersports. Walk or cycle the **Mohawk River Trail**. Spring through fall, **Fort Rickey Discovery Zoo** teaches conservation through engaging animal interactions, kid-friendly attractions and activities.

DID YOU KNOW?

The Toccoiana Club in Rome has 15 groomed Bocce courts and hosts the World Series of Bocce every July. This is the premier bocce tournament in the northeast, where teams from across the country compete for more than \$30,000 in prizes.

Fish for trophy brown trout in the crystal clear West Canada Creek. Walk, bike and cross-country ski the Trenton Greenbelt Trails, white-water kayak Fish Creek, and paddle or water ski Hinckley Reservoir.

Boonville delights with its old-fashioned charm at the Black River Canal Museum and is home to the Boonville-Oneida County Fair, featuring the region's robust agriculture industry. Every August, the population of Boonville swells as it welcomes tens of thousands to the New York State Woodsmen's Field Days - New York's premier forestry, lumberjack and lumberjill event. Professional ax men and women from across the US compete for top honors in team and individual events.

The annual snowfall in Boonville ranks it among America's snowiest places, making it the perfect place to enjoy winter adventures. More than 31 miles (50 km) in

length, the Black River Environmental Improvement Association (BREIA) Trails offer one of the largest groomed cross-country ski systems in the east. Ski and snowshoe rentals are available at the Boonville Search and Rescue hut located at

the far right side of the shopping plaza on Route 12 in Boonville. In the summer months, the trails are perfect for hiking and mountain biking.

DID YOU KNOW?

The Woodsmen's Field Days, held annually in August, attract more than 40,000 visitors each year, stretching as far as California and Canada! Over 300 people make up the "Field Days' family" of volunteers who truly make this event possible. The event is billed as one of the top three lumberjack shows in the United States.

Picturesque Villages & Rural Escapes

Slow your pace, make the short drive to the Southern Hills region, and find contentment in these aesthetically pleasing New England inspired villages surrounded by rural character.

Founded in 1787 by pioneers from Connecticut, the picturesque Village of Clinton was widely known during the 19th century as “Schooltown” for its many private secondary schools. Hamilton College, founded in 1793 and chartered in 1812, sits atop a hill overlooking the village. Today it stands as one of America’s oldest and finest liberal arts colleges.

Root Glen, a trail system open to the public, is a favorite spot for quiet walks among the shaded red-shale paths to admire 65 species of trees, shrubs, plants and flowers. The Ruth and Elmer Wellin Museum includes over 6,000 works of art and artifacts, representing a broad range of cultures, historical periods, and

artistic practices and movements.

In 2018 Clinton earned the coveted designation as a Kraft Hockeyville USA community for its more than 100 years of hockey history! Off the ice throughout the year, visitors can stroll a delightful array of locally owned artisan shops, boutiques, restaurants, and cafes. Spring through fall, the Clinton Farmers Market occurs weekly on the village green. Enjoy picturesque rolling hills and relax with a glass of wine at Brimfield Winery.

Since 1903 the Clinton Cider Mill has produced fresh-pressed cider the traditional way. From Labor Day to Thanksgiving, stop in for fresh cider, house-baked donuts, and homemade pie. Clinton sparkles during the holiday season with the 5K Jingle Jog and the Shoppers’ Stroll, complete with horse-drawn carriage rides, parade, and a fire pit for s’mores.

The villages of Waterville and Oriskany Falls draw visitors for their graceful settings, pleasing bygone-era architecture, unique eateries and eclectic stores. Oriskany Falls was aptly named for the waterfalls in the center of town, formed by Oriskany Creek. In September, check out Cruisin' Into Waterville, a huge car show featuring classic cars, hot rods and motorcycles, a parade, 5K run/walk, craft fair, BBQ, and a chili cook-off.

DID YOU KNOW?

Waterville is the birthplace of George Eastman (1854-1932), founder of Eastman Kodak Company. Set your camera to panoramic for a pic of the massive clean energy generating windmills that dot the hilltops and ridges of wind farms throughout the southern hills.

Rest easy.
